Opportunities to be involved

We are so excited to announce our NEW alumni program and introduce BrookLynn Mayes as President. BrookLynn went from intern to hired with Corner Clinic in St. George and is thrilled to mentor the next generation of interns as we establish this up and coming alumni board. But that's not the only *brand new* volunteer opportunity!

PARENTS: If you're passionate about helping students get the most out of their CTE experience, we want YOU to be a part of the inaugural Parent Board of our Family Collaboration Group. Keep an eye out for details to come in future issues.

RETIREEES: We have a Business Liaison Volunteer position open to any retired community members. Their role would include networking with local business partners, increasing awareness of the internship program, and truly making a difference in the community-for students AND employers. If you know anyone who would be perfect for this prestigious position, contact mike.hassler@washk12.org.
