

## STUDENT INTERN LINKEDIN POLICY

### WHAT IS LINKEDIN?

LinkedIn is the world's largest professional network on the internet. You can use LinkedIn to find the right job or internship, connect and strengthen professional relationships, and learn the skills you need to succeed in your career.

### School-Related LinkedIn Use

USBE has approved WCSD to use LinkedIn within the CTE Internship course to help students develop their portfolio and career network in order to successfully advance and navigate their professional pathways.
